STEP 1: INSTALL BATTERIES

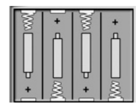

For your convenience, we have included 4 “AA” Batteries that provide the power for the electronic controls. These must be installed before using your safe.

1. Remove the battery compartment cover located on the right side of the control panel by pushing in and to the right.
2. Insert 4 “AA” batteries (included). Ensure the batteries are installed in the correct direction, with regard to polarity (+ and -).
3. If the batteries are put in correctly, the safe will beep and the LCD readout will flash, then it will read “GOOD”
4. Once the batteries are properly installed, replace the battery compartment cover.

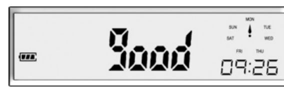

1.

2.

3.

4.

REPLACE BATTERIES:

Weak or dead batteries should be replaced immediately and all 4 batteries should be changed. To replace the batteries please follow the instructions in STEP 1. in the “SETUP” section. Remember to always remove batteries from safe if not using for an extended period of time. If your batteries are completely dead and you cannot open the safe by using the digital keypad, use the override access key to open safe.

NOTE: It is NOT RECOMMENDED to use Non-alkaline or rechargeable batteries.

If the batteries are removed or fail, the keypad memory will NOT be erased and the active programmed code will still work once power has been restored.

STEP 2: SET CALENDAR AND CLOCK

Once batteries are installed and the control pad is powered, the next step is to begin by programming the clock and calendar. READ ENTIRE DIRECTIONS AND WRITE DOWN DATE/DAY/TIME BEFORE PROGRAMMING. NOTE: You must enter all information without delays. If the light goes off, you must begin programming again.

1. With the safe door closed and locked, press the "✱" key followed by the "9" key. The LCD readout will glow amber.

When correctly entered, the LCD readout will stop glowing and should display the information you just programmed.

STEP 3: UNLOCK AND OPEN THE SAFE

This safe is equipped with a dual digital/key lock system that requires entering an active user code to unlock it and an entry key to open. It allows for two separate reprogrammable active user codes.

The preset factory user codes are “1 2 3 4” and “1 2 3 4 5 6”.

1. Begin by inserting the entry key into the cylindrical key hole on the left side of the control panel.

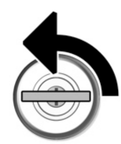

2. On the keypad enter the “#” key, then the user code “1 2 3 4”, followed by “#” key again.

3. If correct code is entered, OPEN will appear on the LCD panel, and you’ll hear a chime tone indicating the safe is unlocked.

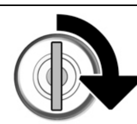

4. Within 5 seconds, turn the key to the left counterclockwise and pull the door open.

TO LOCK THE SAFE:

Carefully close the door, turn the key clockwise to the right and remove.
The safe is now locked and an active user code will need to be re-entered to open.

STEP 4: PROGRAM NEW USER CODES

SECURITY NOTE: To insure privacy, this procedure should be repeated for both of the factory pre-set codes

1. Unlock the safe with the first factory pre-set (or current active) code.

2. If correct code is entered, "OPEN" will appear on the LCD panel, and you will hear a chime tone indicating the safe is unlocked.

3. Immediately enter "∗" then a new 4-8 digit code followed by the "#" key. (if you use an 8-digit code, you will not need to enter the "#" key after.

4. If entered correctly, "IN" will appear on blue display followed by a chime and the new code number will appear for 1 second.

1.

2.

3.

4.

Repeat this process to reprogram the second factory pre-set code.

Your new code is now ready to use and the previous code is erased from memory. If you wish to change your new code, simply repeat the process with current active user code(s) and enter new code(s).

TO OPEN THE SAFE USING NEW USER CODE(S):

Repeat the process described in STEP 3: UNLOCK AND OPEN SAFE, substituting the new user code(s) for the factory preset user code(s)

PRIVACY MODE:

If you wish to prevent your personal code from being read on the digital readout, it can be hidden from view by inserting the "∗" after "#". Example: "# ∗ 1 2 3 4 #".

INCORRECT CODE ENTRY:

If an incorrect code is entered, the word "ERROR" will appear on the digital readout and an alert tone will sound. At this time, re-enter the correct code.

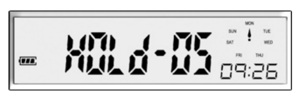

SECURITY LOCKOUT PERIOD:

If an incorrect code is entered three (3) times, the siren will sound for one (1) minute before the system enters into lockout mode for 5 minutes.

During the 1st minute, the siren sound can be stopped if correct code is entered, if no action or another three (3) incorrect codes are entered during the 1st minute the system will enter into lockout mode (5 minutes). If another 3 incorrect codes are entered after the first lockout period, the siren will sound for 1 minute before entering the 2nd phrase of 15-minute lockout period.

During the lockout period, if battery is removed the system will enter 15-minute lockout period.

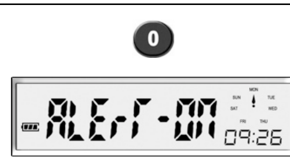

SECURITY ALARM:

This safe is equipped with a security alarm. To activate alarm, press "0" with door closed.

Display will read "ALERT-ON".

The alarm will sound whenever:

- The wrong code is entered 3 or more times to gain entry
- The safe is shaken or experiences forceful impact.

To de-activate alarm or turn off alarm siren, enter an active user code.

LIMITED WARRANTY

LH Licensed Products, Inc., (“LHLP, Inc.”) warrants that for a period of seven (7) years from the date of purchase, this product will be free from structural or mechanical defects resulting from materials or workmanship. LHLP, Inc., at its sole option and as the purchaser’s sole remedy under this warranty, will repair or replace this product or any component of the product found to be defective during the warranty period. Replacement or repair will be made with a new or remanufactured product or component. If the product is no longer available, replacement may be made with a similar product of equal or greater value.

THIS IS YOUR EXCLUSIVE WARRANTY.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

This warranty is only valid for the original retail purchaser from the date of initial retail purchase and is not transferable. You must keep the original sales receipt. Proof of purchase is required to obtain warranty service.

LHLP, Inc. dealers, service centers, or retail stores selling this product do not have the right to alter, modify or in any way change the terms and conditions of this warranty.

This warranty does not apply to the finish on the product. This warranty does not cover normal wear and tear of parts or damage resulting from any of the following: negligent use or misuse of the product, use contrary to the operating instructions, disassembly, repair or alteration by anyone other than LHLP, Inc. or an authorized service center, improper installation, or exposure to extremes of heat or humidity. Further, the warranty does not cover Acts of God, such as fire, flood, earthquakes, hurricanes and tornadoes.

LHLP, Inc. shall not be liable for any incidental or consequential damages caused by the breach of any express or implied warranty or otherwise relating to the sale of this product. LHLP, Inc. is also not responsible for: costs associated with removing or installing the product; damage or loss of the contents of the product; nor for the unauthorized removal of the contents; or damages incurred during shipment.

THE ABOVE WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND LHLP, INC. DISCLAIMS ANY AND ALL OTHER COVENANTS AND WARRANTIES.

Except to the extent prohibited by applicable law, any implied warranty of merchantability or fitness for a particular purpose is limited in duration to the duration of the above warranty period. Some states, provinces or jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from state to state, or province to province, or jurisdiction to jurisdiction.

LIFETIME AFTER-FIRE REPLACEMENT GUARANTEE
